1 Getting Started

This starter file is generated by Theme Designer.

1.1 Preview

Definition 1.1. *[Sample Definition] A starter definition block to verify theme colors and theorem styles.*

Theorem 1.2. *[Sample Theorem] If $x \leq y$ and $y \leq z$, then $x \leq z$.*

Proof. This follows from transitivity of order. □

Tip

Adjust colors and toggles in Theme Designer, then compile this file.
