# Chapter 1

## Getting Started

This starter file is generated by Theme Designer.

### 1.1 Preview

**Definition 1.1.1.** *[Sample Definition] A starter definition block to verify theme colors and theorem styles.*

**Theorem 1.1.2.** *[Sample Theorem] If  $a = b$  and  $b = c$ , then  $a = c$ .*

***Proof.*** This follows from transitivity of equality. □

#### Tip

Adjust colors and toggles in Theme Designer, then compile this file.
